

CANADA'S INVESTMENT IN CANCER RESEARCH, 2021

Shift in the focus of the research funded from 2007 to 2021

Research Area (%), 2021 and 2007

690 researchers became new lead investigators for cancer research projects that started in years 2017 to 2021

20¢ of every dollar invested in investigator-initiated research by the Canadian Institutes of Health Research in 2021 was cancer-related research

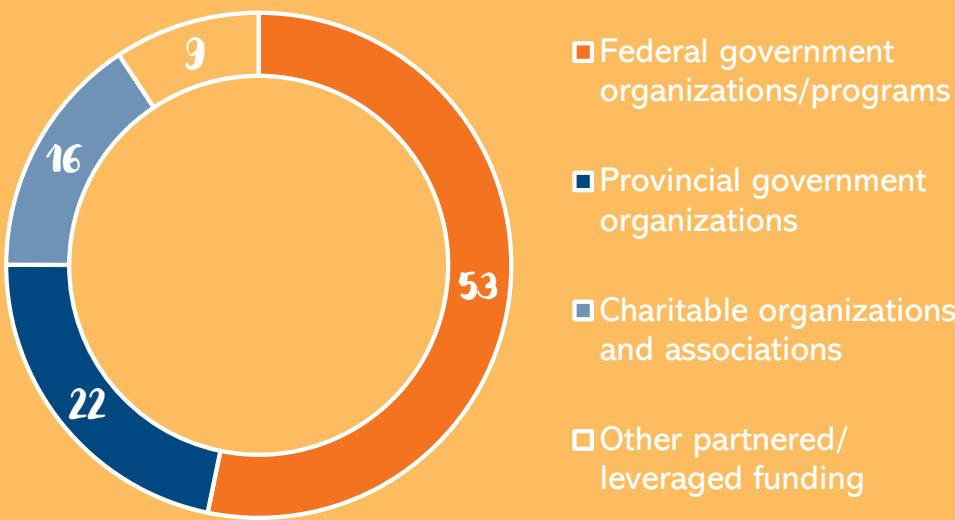

The CCRA has been tracking Canada's cancer research investment since 2005. For more details on the research investment, check out CCRA's reports, slide decks, tools, and visualizations at www.ccra-acrc.ca.
