THE TERRY FOX RESEARCH INSTITUTE
L'INSTITUT DE RECHERCHE TERRY FOX

A community event and panel
discussion presented by the
Canadian Cancer Research Alliance

Saturday, November 11, 2023
Halifax Convention Centre
1:30 – 4:30 PM

CANCER:
Prevention,
Treatment
& You

Program

This free all-ages event is being held on the Argyle Level of the Halifax Convention Centre.

- Learn about local resources and supports for yourself, a loved one, a family member or friend
- Speak one-on-one with patient advocates
- Understand more about reducing your cancer risk, new options for treatment, and living your best life after cancer
- Get the facts about cancer so you can provide sound information to others in your circle and the wider community

PANEL DISCUSSION 2:00 - 3:00 PM

Hear about local advances in cancer research from our panel moderated by

Eilish Bonang
Anchor, Global News Morning
